

## Instructions to Run the UnitedHealthcare Quote

**You may call our office 404-575-1960 at any time and we will walk you through the plan options and complete the enrollment for you.**

**There is no advisory service fee for this process.**

We recommend the UnitedHealthcare PPO Short Term (360 days) **Plus Elite A** plan series with \$2M Benefit. Our analysis indicates the \$12,500 deductible/100% coinsurance benefit is the best value. \*

- 1) To make viewing easier (without as many plan options visible), Click on the Deductible drop-down under Filters and select \$10,000 & Above. Scroll down (you will need to click on See More Plans) to select "Short Term Medical Plus Elite A".
- 2) Click Add to Cart
- 3) Then select "Accident ProGuard" tab (top of page) and chose "Accident ExpenseGuard"  
Select \$5,000 or \$10,000
- 4) Click Add to Cart
- 5) Then select "More" tab (top right of page) and chose "TeleHealth" from the drop-down menu
- 6) Click Add to Cart
- 7) Enter your requested effective date and Click Apply
- 8) Fill out the Applicant Information form and Click Continue
- 9) You will then need to answer the 7 Questions. If your answer is YES to any of these questions, coverage will not be issued.
- 10) Click Continue
- 11) On the summary page, review your Plan Details. You can edit your deductible, coverage start date and coverage duration here, as needed.
- 12) Click Continue and select your Method of Payment
- 13) Enter your payment information to complete the enrollment process

The processing time is 2-3 days. You will receive an email from UnitedHealthcare with the outcome.

\* You can, of course, select any plan that fits your situation.
